This is a bit of a difficult process to set up so I'd recommend that you start working on it soon...may take a few days. The old login goes away on January 31st...in two days

The old login screen will be going away and they will be operating on dual authentication which means it will ping my cell phone to gain access. All users will have to be r

It actually took me about a week to get through the ID.me portal setup but I'm technologically challenged.

The VA guy I talked with said this sign-up process with ID.Me is easier and faster if you use the credit questions. I would recommend using ID.me but I don't know what

Let me know if you have any questions or need help or feel free to call VA Houston here;
