Hi All-

Below are the instructions for running a Home Ready loan through DU in Encompass.

1. On the forms tab click on "FNMA Streamlined 1003".
2. Scroll down to the following sections of that page.

3. Click on the box labeled Community Lending.
4. Select Home Ready in the drop down box in the section labeled Fannie Mae's Community Lending Product.
5. Run DU as normal in the services tab.

DU should recognize that you have selected the Home Ready Program if you follow these steps.

Thanks,
