Once the company is registered with USDA system, the contact listed above should receive an email confirmation. Once email is received, you'll need to provide the tax ID and eAuth ID/u user to the sponsoring lender's GUS Security Administrator. They add the Lender Agent role. RD Helpdesk is not authorized to add/change/delete user roles.

If user(s) have not created a Level 1 eAuth account yet, they can do it here. <https://identitymanager.eems.usda.gov/registration/index.aspx>

* Each person should have their own ID to access GUS
