	Representative minimum credit scores for manual underwriting (Minimum could be higher for certain reserves and debt-to-income ratios; see the Eligibility Matrix)	
	620 or higher, per the Eligibility Matrix	
	Reserves for manual underwriting	620 or higher, per the Eligibility Matrix
	Minimum none or up to 6 months, per the Eligibility Matrix (based on credit score, DTI ratio, and FRM or ARM)	
	Borrowers with nontraditional credit are eligible. In addition, up to 30% of qualifying income may come from a borrower for whom no traditional or nontraditional credit profile can be established.	Minimum none or up to 6 months, per the Eligibility Matrix (based on credit score, DTI ratio, and FRM or ARM)
Manual Underwriting, Exceptions to Minimum Credit Score Requirements	If the borrower has a credit score below the minimum required as a result of an insufficient traditional credit history ("thin files") as documented by reason codes on the credit report, the lender may supplement the thin file with an acceptable nontraditional credit profile. SFC 818 must be used to identify loans with supplemented thin files (for manually underwritten loans only).	
	If a borrower has a credit score below the minimum required, but not as a result of a thin file, the lender may not establish a nontraditional credit profile to supplement the borrower's traditional credit history.	
	 If the borrower's credit history was heavily influenced by credit deficiencies that were the result of documented extenuating circumstances, the minimum credit score requirement must be met (per the Eligibility Matrix), or the credit score must be no less than 620.
